

Fellow Republican Leaders,

We're entering the time of the year when we come together as Republicans in one single goal of defeating Democrats in November.

To all incumbent Associate Members, we've laid the ground work to maintain and win back key Republican seats in the General Assembly and at every level of government across Illinois, and we can do great things together through November and beyond.

To all new Associate Members, let me start by welcoming you—we are glad to have you as part of our team. Our County Chairmen's Association is not only a place to come together with likeminded people with likeminded goals, but we are an organization that, as members, we can seek help among one another in accomplishing our goals. As high-level leaders and decision makers, you have a voice in the goals and direction of our organization which hopefully will not only benefit our state, but also benefit the community you represent as well.

Associate Member Dues: \$100

Our combined dues make it possible for us to do work in all 102 counties in an effort to turn this state around. Our dues have gone to:

- Establishing training sessions along with training manuals for Chairmen, Precinct Committeemen, elected officials, and candidates.
- Obtaining bulk pricing with elections signs, making those signs available to all members and passed those savings on to all county parties.
- Holding promoted events throughout the state, including our tent and space rental at the DuQuoin State Fair.

In addition to having the resources to run an effective organization, your member dues allow us to provide access to exclusive training for you and your team, networking opportunities with potential donors, volunteers, or supporters, and the same resources and support we provide to county Republican organizations. Plus, Associate Members gain the same access to legal counsel for election or political issues.

Our Republican Party is stronger when our elected leaders and state and county organizations are working together and fighting in the same direction, and Associate Members like you gives our organization the backing to make a difference in Illinois.
