

Fellow Chairman,

We're entering the time of the year when we come together as Republicans in one single goal of defeating Democrats in November.

To all incumbent Chairmen, we've laid the ground work to maintain and win back key Republican seats at every level of government across Illinois, and we can do great things together through November and beyond.

To all newly elected Chairmen, let me start by welcoming you—we are glad to have you as part of our team. The County Chairmen's Association is not only a place to come together with likeminded people with likeminded goals, but we are an organization that, as members, we can seek help among one another in accomplishing our goals. As members, you have a voice in the goals and direction of our organization which hopefully will not only benefit our state, but also benefit your local counties as well.

Member Dues: \$100

Our combined dues make it possible for us to do work in all 102 counties in an effort to turn this state around. Our dues have gone to:

- Establishing training sessions along with training manuals for Chairmen, Precinct Committeemen, elected officials, and candidates.
- Obtaining bulk pricing with elections signs, making those signs available to all counties and passed those savings on to all counties.
- Holding promoted events throughout the state, including our tent and space rental at the DuQuoin State Fair.

In addition to having the resources to run an effective organization, your member dues benefit you and your county in two specific ways:

- 1) You become a member in "Good Standing" when it comes to vital agenda voted on by our organization.
- 2) You have access to legal counsel for election/political issues.

Any of these items alone could be a great benefit and savings to your local Republican organizations, not to mention the impact you'll help our party have throughout Illinois.

If you have not paid your membership dues of \$100, you may mail them to the following address:
